#### Item 7 - Presidents report

2019 is well underway and I am proud to say that the P&C has gained significant momentum and we are in the final stages of handover from past members. The P&C has also been busy working on several key projects including the Australian Bureau of Statistic requirements, completing financial audits, updating ACNC requirements to ensure we keep our not for profit status, updating our information across the P&C federation platform and commencing the migration to a new email server, Gmail.

On a personal note, the last four months have been an amazing learning experience. Being provided the opportunity to listen to ideas and concerns of the individuals interested in the needs of our kids, I have gained real insight into the activities of all volunteers at the school and the contribution the P&C makes to our school and the surrounding community. I draw great inspiration from this and appreciate seeing such high levels of enthusiasm and dedication from everyone.

The P&C is our forum to facilitate the exchange of ideas between parents and the school. It creates opportunities that enable all parents to participate and contribute towards the benefit of our kids, teachers and community. Over the coming months, the P&C will be working through the framework that sets out our values and key objectives for next three years.

As we build towards the new framework, we will be will be asking for ideas from the students, parents, community, teachers and the school executives via surveys and discussions. The P&C and I encourage the continued participation by as many parents as possible, which will ultimately benefit of our children and community.

#### Item 8 - Principal, Deputy Principal and Assistant Principals Reports

Parent information session. Due to the overwhelming response from parents we have moved the numeracy sessions to the hall to begin with. Monday 27<sup>th</sup> May. My Community grant application is underway for playground equipment. It needs to be voted on by residents of Lane Cove area. The drone virtual tour will be up on our website soon. Thank you to the P&C for endorsing \$300 on tea and coffee for the parent information evenings. E Blake

Thank you to the fundraising committee for such a successful community event on election day. Fabulous to see so many in the school community getting involved. Naplan ran smoothly in our school context. P&C fundraising

dates have been endorsed Movie Night 29/6, Trivia Night 3/8 and Multicultural/ art show 3/11. Thank you to Anna Mo and Ann Marie Cahill for their representation on our teacher panel this term. We will be employing a new School Administration Officer to start Term 3. B Keevers

# Main points to note

 Across two main fund raising activities year to date (being state election and the end of Term 1 sausage sizzle), we have made a net profit of approximately \$3800

 Year to date if we include the donations and fund raising money from last year but only booked this year, there is an operating profit of \$9,512

# Recommended changes going forward

## Workers Compensation

- It has been proposed by the P&C treasurer to both the convenors and treasurers of Strings and Band
  that the cost of workers compensation insurance be split between the two groups as the cost of wokers
  compensation insurance is purely to cover the tutors and conductors
- The proposed method to split the cost of current year's insurance cost is to use the previous year's wages with the split of cost readjusted following the current year end using actual wages
- The convenors of Band and strings have agreed to this and this will be implemented before the next P&C meeting meaning funds will be transferred from Strings and Band to the P&C fund
- Total cost for workers compensation in 2019 is \$3,778

#### **Bookeeping Costs**

- Similar to Workers Compensation, it has been proposed that the cost of the bookkeeping fee be split
  between head P&C, Band and Strings. Whilst Band and Strings have notionally agreed to this, we are
  yet to finalise how the cost will be split and we are currently waiting on the bookkeeper to give some
  guidance on how she splits her time on work performed for the Artarmon P&C.
- We have agreed to split the cost of subscription to accounting software Xero evenly between the three departments.
- Total amount spent on bookkeeping in 2018 was around \$3,360

# **Gardening Committee Report**

The Gardening Bee was held on Saturday 6 April with the big focus on mulching gardens and adding soil to new veggie gardens. There was an excellent turn out with all the work completed within the time.

#### **Band Committee Report**

All bands and orchestra performed at the Easter Band breakfast on the last day of term 1. The event was well supported by families and the students gave a great performance. Thanks to parents Kali Lawrie and Kirsteen Daly for organising this event.

Coming up in term 2: Music intensive weekend, Sydney Eisteddfod, Playathon

#### **Multicultural Committee Report**

Multilanguage Signage: Ms Keevers has organised the translated signs. One large sign will read "WELCOME" in multiple languages. There will also be a sign for outside the toilets indicating that it is for student use only. The sign company will use their own translators to complete them.

Drop in sessions: We are looking to start Drop In sessions towards the end of term. The aim of these is to foster connections in a casual environment. The day is still TBC but will probably be mid week. Multicultural Committee members to discuss details this month. Volunteers needed.

Kindergarten Orientation – August: The Multicultural Committee plans to have representatives at the Kindy orientation. There will be Mandarin, Cantonese and Hindi speaking volunteers who will be available to answer questions and hand out appropriate resources re: starting school. Ms Keevers to advise the Committee of the dates ASAP so the volunteers can organise the time off.

## Students and teaching

Strings has had a busy start to the year, with 138 students continuing or joining the four ensembles. Of the 138 students, 98 have private or group classes at school with one of our four tutors:

Tutor	Student numbers
Adrian Mansukhani	30
Paul Pan	30
Heather Suh	13
Joanna Buggy	25

All private tutorial fees have been increased to \$40 per lesson, consistent with band fees, and group lessons are \$22. All Year 3 students (or beginners) are required to have group lessons outside of school hours (before school or lunch time). This new policy caused some upset among parents, as many Year 3 parents were concerned that a 7:45am start was too early, while many senior students (Years 5 and 6) were unable to keep their before-school times that they had previously (because they were taken by Year 3s) and their parents were reluctant to have them come out of class for lessons. This caused some to withdraw completely, which is a shame given that they had been with the same tutor for 2 or 3 years.

Other issues that have come up from this policy include:

- There is one Year 3 double bass student, meaning that her lesson is essentially a private lesson, costing her \$40 as opposed to other Year 3s who are all paying \$22. If she were to pay \$40, this is potentially an unfair cost to the family, and if she were to pay \$22 this is potentially an unfair income to the tutor, who is holding a "private" lesson for \$18 less than usual.
- Due to the size of the rooms available that coincided with the tutor's teaching time, some tutors were able to take 2 students in a group while some took as many as 5 at one time, resulting in a large discrepancy of payment for the same amount of teaching time. We have adjusted to the best of our ability to make the distribution even.

We must thank **Rebecca Wall** for her help in allocating tutorial times and updating all of the students and tutor information in the MSM website. That was a huge job.

#### **Tutor Conditions**

There was some moving around of students at the beginning of year – moving around between rooms, tutors and tutorial times to accommodate both individual preferences and available space and rooms. With some rooms only able to hold 2 or 3 students, and some rooms able to hold 5, matching those rooms to the tutor's times on campus and the available group tutorial times proved challenging. But with the dedicated help of **Rebecca Wall**, everyone was accommodated in the end.

I believe the newly built music rooms have been working well, save for the need of an air-conditioning unit or fans. The conditions in some of the older rooms will need to be assessed, however, and I'm happy to do that. I have informally heard a complaint from a tutor about one or two of the rooms not being ideal for prolonged stretches of teaching time, particularly ventilation and dust being the problem.

# **Instruments**

A big thank you to **Joanne Wang** who is running the instruments side again and has done a huge job updating the MSM website to reflect the current instrument allocation.

It has not been necessary to buy any new instruments so far this year. After hiring, the available instruments are listed below:

Violins	Available
Total: 67	1/4 sizes (6)
Hired: 45	½ sizes (4)
	1/8 sizes (2)
	<sup>3</sup> / <sub>4</sub> sizes (9)

Cellos	Available
Total: 33	1/4 sizes (2)
Hired: 22	½ sizes (6)
	<sup>3</sup> / <sub>4</sub> sizes (3)
	No more 1/8 sizes to hire

Double Bass	Hired
Total: 10	1/8 sizes (4)
Hired: 5	1/4 sizes (6)

We are able to offer double bass students one double bass to take home and one to keep at school to save them from transporting it. This is very much appreciated by the parents and will be essential to continue if we are to attract double bass players. Concert Strings does not have a double bass player, which is less than ideal, and we need to encourage more to take up that instrument. All instruments were checked at the end of last year and returned to the students.

# **Ensemble rehearsals:**

Training Strings: Tuesdays lunchtime, starts in Term 2

Junior Strings: 7:45-8:45am Tuesdays, middle level S block Concert Strings: 7:45-8:45 Thursdays, middle level S block

Senior Strings: 3-4pm Tuesdays, music room Orchestra: 8-8:50am Wednesdays, music room

Auditions will take place on April 2<sup>nd</sup> to select 10 students to play in the **Festival of Instrumental Music** at the Opera House in August. Artarmon will be one of 120 other schools performing as a group in this fantastic event.

# **Creative Kids Voucher**

Thank you to **Angie Wong**, a Training Strings parent, who is taking care of the Creative Kids Voucher for strings, working with Harvinder from band. A little more than 50% of strings students have responded that they will be using the voucher this year.

# **Upcoming commitments**

#### Calendar:

Friday 12th April – Annual Easter Breakfast Concert (orchestra)
Thu May 9th - Mothers' Day Concert, before school - all string ensembles
Cot 4 ot lune (4 pm = 5.20 pm) and Cup 2 pd lune (0 pm = 2 pm). Music later sine
Sat 1st June (1pm - 5.30pm) and Sun 2nd June (9am - 3pm): Music Intensive weekend

Sept 1-7 – Hawaii Tour
October 26-27 - Music Camp, Yrs 4-6, overnight
November 17 – Proposed date for end of year strings concert, Conservatorium of Music

# Hawaii Tour September 1-7 2019

**Mr Coombes** held an information session on March 7, where he gave a presentation to the parents on the itinerary and addressed any FAQs. I believe music will be handed out shortly to the students.

#### **Admin**

- Strings has been working with **Jenny Kopac** of Aitken O'Grady to finish off the audit. Only a few instrument cross-checks are outstanding at the time of this report.
- As of this weekend, we now have a Strings Treasurer, thank you lan (Yanfeng) Han, and nearly a full complement of committee members. I'll arrange a sub-committee meeting to be held before the end of term and will need to address again the issue of a music uniform (timely if one is to be worn at the Eisteddfod in June).
- Strings information night and instrument collection was held on Feb 6. Thank you to Joanne and those who helped allocate the instruments. And thank you to Adrian Mansukhani for welcoming the new families.

#### Request assistance:

- To Jono Coombes, if it is appropriate can you please involve strings (and band) in your discussion on the Hawaii uniform (polo shirts and tie), in case there is any cross-over between the Hawaii uniform and a proposed orchestra uniform.
- Employment contract for Adrian Mansukhani We have been unable to find an employment lawyer to advise with this situation. We request a meeting either with **Anna Mo** or help by the P&C in finding an employment lawyer. The only written information we have is a draft contract written approx. 6 years ago. Other than that, no templates from P&C or similar situations/employees to compare.
- Strings and band are booking the Conservatorium of Music for their respective end of year concerts on
  November 17. The Con will invoice the school, who will cover the initial payment and then invoice the subcommittees. Based on the 2017 cost, each group is looking at a cost of around \$4000. We will charge tickets
  with a view to breaking even. This is not a fundraising event. The school can expect the invoice from the Con
  in the next week or so.

#### **P&C Email Accounts**

Our email support has been working on moving all artarmonpandc.org.au email accounts to use Gmail as the email front end/client. This will allow us to manage our passwords directly and use the Gmail security layer.

Emails can still be sent to and from the artarmonpandc.org.au accounts and logins remain the same, just via Gmail.

This process has taken longer than expected and we are still experiencing some issues, but most email accounts and email history have been transferred.

Thank you to all committee convenors for their patience with this and please let me know if there are any outstanding problems.

#### **P&C** Website

At the end of last year, the school moved to hosting the school's website, including the P&C section, through the Schoolzine application.

Now that the 2019 committee members are in place, we will begin a review of all content and the layout of the new P&C section of the website.

This review will be in conjunction with the subcommittees: Band, Canteen, Gardening, Multicultural, Social and Fundraising, Strings, Sustainability, Traffic and the Uniform Shop - to remove any out of date content and to include any new information / upcoming events.

If anyone has any comments or suggestions regarding the website, please email: webadmin@artarmonpandc.org.au.

#### **Traffic Committee Report**
