

# Strings Committee

The String Program plays an important part in the musical life of Artarmon Public School.

## The Objectives of the String Committee are to:

- To provide an avenue for string players within Artarmon Public School to play together and develop musically.
- To encourage new learners of string instruments by the provision of a tutorial program.
- To provide an instrumental rental service for string players in the school.
- To complement the successful band program at the school.

The Strings Program is coordinated by the String Committee which is made up of parent volunteers. These parents give their time generously to coordinate instrument hire, finances, tutors, concerts and special events. The committee meets once a term.

## String Committee Roles

- Convener
- Senior Strings, Junior Strings, Training Strings Coordinator
- Instrument Hire Coordinator
