3. INSTRUMENT ALLOCATION AND HIRE

All the instrument hire is organised by parent volunteers –Strings Instrument Coordinator. If you have any questions regarding instrument hire and maintenance, please contact our Strings Instrument Coordinator via email APSstringsinstruments@gmail.com

- For students interested in playing a stringed instrument for the first time the Strings Director Mr. Mansukhani will conduct an assessment (tryouts) at school to identify a suitable instrument for your child. We will advise you of your child's instrument allocation by email. Please reply to the email to confirm the acceptance.
- If your child already plays an instrument, we will arrange an audition at school to place your child in an ensemble which best suits their skill and experience.
- Instruments are available for hire from the Strings Committee- this is an inexpensive way to begin learning an instrument. We highly recommend that if you are considering purchasing an instrument you consult with a music professional (e.g., your instrument tutor) before making this investment, as a 'bargain' may be a costly mistake if it is an unsuitable instrument.
- The instrument hire fee will be included in your Strings invoice in Term 1. Instrument hire fees are **non-refundable**.
- Due care of the hired instrument is required, and full responsibility must be taken by the student and their parents/carers. In the event of any damage, please report immediately to your tutor, Mr Mansukhani and email Strings Instrument Coordinator at APSstringsinstruments@gmail.com
- All hired instruments must be returned to school at the end of term 4 (date to be advised) for our annual instrument audit, service check and cleaning. Students that are continuing in the Strings program in the following year may take a hire instrument for practice over the summer holidays (subject to instrument availability) after the instrument audit.

Please refer to **WITHDRAWAL FROM THE MUSIC PROGRAM** section for how to return your hire instrument.

4. INSTRUMENT TUTORIALS

All in-school music lessons are organised by parent volunteers- Tutor Coordinators. The lessons are organised based on the Tutor's availability and School's rules on music lessons. Our Tutor Coordinator will advise you by email of your child's tutorial details. Our Tutor Coordinators can be contacted via email tutorband.atarmonpandc@gmail.com.

Training Strings:

- Students in Training Strings that are in Year 3 are required to attend a weekly group tutorial/lesson at school. These 30-minute lessons are held outside of class time. Group tutorial/lesson consist of children who play the same instrument, up to maximum of four students in one group.
- We do not offer individual tutorials to Year 3 students; all Year 3 students in Training Strings are required to participate in group tutorials/lessons at school for the year.
- Training Strings students who are in Years 4, 5 or 6 will be required to attend a private one-on-one tutorial. These 30-minute lessons will be held during class time.
- All Training Strings students must also attend the weekly strings rehearsal in addition to the weekly tutorial.
- Please note: The group tutorial fees cover 8 lessons per term.
- There will be ONE makeup group tutorial available to students that missed a lesson due to illness/appointment/excursion, etc. These makeup group tutorials will be held in either Week 9 or 10.

Junior, Concert and Senior Strings:

- All students who participate in the Strings program are expected to take instrument lessons, either at school or externally by a qualified Music Teacher.
- Only students who are part of the Music Program can have instrument lessons at Artarmon. We do not offer instrument lessons to students who are not part of a Music ensemble.
- Students in Year 3 that already play an instrument must continue instrument lessons externally. We do not offer one-on-one (private) lessons to Year 3 students at school.
- The tutorial at school will be a weekly one-on-one (private) lesson. The majority of private lessons are held during school hours. To minimise time away from class, students can only have one private lesson during school learning time. In an instance where a student plays two instruments and requires two in-school tutorials, they can only have one private lesson during school learning time. The other instrument tutorial will need to be arranged outside of school hours.
- For one-on-one private tutorials at school, tutors are required to provide at least 8 lessons per term, please organise make-up tutorials with your tutor if required.

Please refer to **WITHDRAWAL FROM THE MUSIC PROGRAM** on how to discontinue school tutorials.

7. PARENTAL INVOLVEMENT

The Strings program, as part of the Artarmon Public School Parents & Citizens (P&C) Association, engages and pays professional musicians including our Strings Director and Tutors.

All other administration & coordination of the Strings Program is managed entirely by parent volunteers.

The Strings Program always needs more help! Parents will be asked to assist with various activities throughout the year including assisting with performances such as the Strings Mother's Day Concert and assisting at Music Intensives/Camp. However, if you have any capacity to take on a larger role within the Strings Program in 2025 please contact the Strings Convenors by emailing strings.artarmonpandc@gmail.com.

Parental involvement is essential to enable the Strings Program to function and all Strings parents are required to help in some capacity. We need dedicated parent volunteers to ensure the Strings Program can run effectively.

8. COMMUNICATION

All communications will be provided to you from the Strings Committee via email. It is **VERY IMPORTANT** that you provide us with a regularly checked email address so that we can keep you up to date with details of rehearsals, lessons, events, etc.

Please provide us (on the Myschoolmusic registration) with a personal (not work) email address to avoid potential problems with personal emails not reaching work addresses or change of jobs etc.

Your primary contact for Strings enquiries is your child's ensemble Strings Coordinator. You can also contact members of the Strings committee as required on the email addresses given at the end of this document. Please ensure these email addresses are only used for Strings Program purposes. When not sure please send your enquiry to strings.artarmonpandc@gmail.com

We will also share information through the school Music News on school Newsflash every term. Music News will not contain all the information, they are highlights to remind and prompt. Please always refer to your Strings Coordinator's emails.

We use the MySchoolMusic parent portal for online permission slips (e.g. for attendance at events), the Strings committee meeting minutes are published on the portal and you also need to use the portal to update parent and child details (e.g. class details).

If your child has instrumental tutorials at school, your tutor will let you know his/her contact details.
